

Molift Smart 150

Compact smartness - light, foldable and transportable without tools

Molift Smart 150 is designed to be easily wheeled and transported to where it is required. It is designed for home care, for travelling and easy storage. The Molift Smart is foldable in one piece without using any tools.

Due to its low weight, small footprint and unique construction, Molift Smart 150 is easy to manoeuvre even in narrow spaces. The hoisting range provides an excellent maximum hoisting height and can also lift from the floor. The 4-point sling bar ensures a comfortable and spacious hoisting position for the user.

Molift Smart 150 has been awarded for Design Excellence by the Norwegian Design Council.
